

Drawing Matter - 'Pan, Scroll, Zoom'

Drawing

'Zoom Room' Studio Section Survey Drawing - Example - Pen, 360mmx 250mm

Will Knight - Guest Tutor, School of Architecture, Planning and Landscape, Newcastle University

Caption (69 Words)

First Year Students were to survey, draw and appraise the room from which they were 'Zooming'. The hope was that this would open their eyes to the impact of our immediate environment on us; heightened and intensified by time spent within, and the unprecedented circumstances beyond. The year before we studied thresholds within the city; this year, the window in their room. To look out, as well as within.
